French student currently in master 1 in design and digital creation at ESAIG Estienne in Paris. I am in search of a two months internship by your side.

EDUCATION

- **Currently** : - Master 1 degree in design
- **2023** : -Bachelor's degree course in graphic design and storytelling
- **2020** : -Science baccalaureate
-First-aid certificate

CREATIVE AND PROFESSIONAL EXPERIENCE

2021 Two weeks internship at the daily newspaper LeMonde

> experience at the video and motion design department, discovery of team work and motion design on After Effects // PARIS

2022 Two months and half at the NeoConsortium

> photomontage, artistic direction, posters editing, drawing, motion design, exhibition communication, fictional design // PARIS

I worked a year and a half after my internship with NeoConsortium for a project funded by the French Ministry of Culture. The project was exhibited for four months at the CENTQUATRE PARIS, for the biennale NEMO 2023 of digital art.

2023 Two weeks internship with two illustrators

> storyboard writing, illustration // TOULOUSE
